What you need to know about your plan

Who and what your plan covers

We are Manulife Financial, your plan sponsor's partner in supporting the group insurance benefits you receive at work. We know how important your coverage is and that you count on us to give you great tools to help you understand what you have.

Your dependents - your spouse, child or children who are insured under the Provincial Health Plan - may also be eligible for some of the coverage provided through this benefits program. Your plan sponsor's plan must be in effect and you and your dependents must have satisfied all of the participation requirements first, for your coverage to be active.

In the event that a provincial plan or government-sponsored program or plan or legally mandated program discontinues or reduces payment for any services, treatments or supplies formerly covered in full or in part by such plan or program, your group benefits plan will not automatically assume coverage of the charges for such treatments, services or supplies, but will reserve the right to determine, at the time of change, whether the expenses will be considered eligible or not.

The information provided here is an overview of the coverage and services your plan sponsor has chosen to offer as part of your group benefits program. It doesn't include reference to all of the plan details, limitations and exclusions or terms and conditions your employer has arranged. Those are set out in your plan sponsor's group benefits plan documents (for example, the policy or plan document and any plan amendments). Manulife's administrative team will refer to those plan documents when evaluating claims, your eligibility for coverage, and for the general administration of the program. In the event of a discrepancy between this coverage overview and the plan documents, the terms outlined in the plan documents will apply.

Where required by law, you or any claimant under the Policy have the right to request a copy of any or all of the following items:

- the Policy
- your application for group benefits and
- any Evidence of Insurability you submitted as part of your application for benefits

In the case of a claimant, access to these documents is limited to that which is relevant to the filing of a claim, or the denial of a claim under the policy.

Manulife Financial reserves the right to charge you for such documentation after your first request.

Time Limit on Legal Action

Every action or proceeding against Manulife Financial for the recovery of insurance money payable under the plan is absolutely barred unless commenced within the time set out in the Insurance Act or applicable legislation.

Your plan sponsor is Mohawk Canada Corporation

This booklet produced: March 28, 2022

Your plan number is G0633399

B1 - Dale-Tile Employees with Single-Parent Coverage

The plan effective date is January 01, 2016

This is the official day when all of the coverage and services your plan sponsor has arranged with us begins. Coverage starts once you have fulfilled any waiting period requirements set for your plan.

Your plan may include a waiting period for some benefits.

The day after the waiting period has finished is the earliest date you can use this coverage.

Enhanced information is also available on the Internet

There may be times when you may not have coverage details with you, but you need to find out about some portion of your coverage quickly. Know that you can always find the most up-to-date plan information - including an electronic version of this document - on the Plan Member Secure Site. Once registered, you can log-in any time from any Internet connection. Go to www.manulife.ca/groupbenefits and input your plan number and plan member certificate number. The site will tell you everything else you need to do to finish the registration process.

The electronic version also includes links to definitions, forms, and enhanced information that may help you understand how your benefits program can support you.

HOW LONG COULD IT TAKE TO HAVE MY CLAIM PROCESSED?

This will depend largely on how you submit your claim and how you choose to receive payment. Send paper claims to the address printed on the claim form. Be sure to record your plan contract number and plan member certificate number on all correspondence and claim forms.

USE MORE THAN ONE PLAN TO GET MORE MONEY BACK

Did you know that you can recover up to 100% of your expenses if you coordinate claims with your spouse's group plan? This is called coordination of benefits and here's how it works.

CLAIM IS FOR...	FIRST...	THEN...
<p>You</p> 	submit to Manulife	for any unpaid balance, send a copy of your Manulife claim statement and the other insurance company's claim form to the other insurance company for processing.
<p>Your spouse</p> 	submit claim to spouse's insurance company	for any unpaid balance, send a copy of the other insurance company's claim statement with a completed Manulife claim form to us for processing
<p>Your children</p> 	send to the insurance company of the partner who has the earlier birth month and day	submit any balance to the other insurance company

Manulife Financial does not accept beneficiary appointments for any benefits under this Plan.

This Policy contains a provision removing or restricting the right of the group life insured to designate persons to whom or for whose benefit insurance money is to be payable.

Explanation of some of the terms used in this document

Co-insurance

The way the cost of a service is shared between you and your plan. It exists in addition to any deductibles. So for example, an 80% co-insurance means that after the deductible has been satisfied, your plan will cover up to 80% of the bill and you would pay the rest.

Co-payment

The fixed amount that you must pay towards the cost of a service each time you use your plan. Most often, co-payments exist in situations where a claim is settled at point of sale. For instance, you might see a drug benefit with a \$2.00 co-pay amount. Regardless of the cost of the prescription being filled, you are required to pay \$2.00.

Spouse

- your legal spouse, or a person continuously living with you in a role like that of a marriage partner

- a child is considered incapacitated if he or she is incapable of engaging in any substantially gainful activity and is dependent on the employee for support, maintenance and care, due to a mental or physical disability. Manulife Financial may require written proof of the child's condition as often as may reasonably be necessary
- a stepchild must be living with you to be eligible
